

The image features a dark background with a subtle honeycomb pattern. In the center, the word "PRECISION" is written in a bold, white, sans-serif font. The letter "O" in "PRECISION" is replaced by a stylized, white, geometric logo consisting of a hexagon with internal lines forming a cube-like structure. Below "PRECISION", the word "AUTOMOTIVE" is written in a smaller, white, sans-serif font. To the right of the text, a dark, semi-transparent image of a modern sedan is visible, showing its side profile. The overall aesthetic is clean, technical, and professional.

PRECISION

AUTOMOTIVE

QUALITY. FLEXIBILITY. INNOVATION.

PRECISION AUTOMOTIVE

- ❖ Committed to the development of superior industry-compliant automotive components since 1987
- ❖ Offering paramount performance in the automotive industry
- ❖ Outstanding team of innovative Research & Development professionals
- ❖ Seamlessly integrates into any automotive OEM strategy

DOOR TO DOOR SERVICE. ALL UNDER ONE ROOF.

A HISTORY OF SUCCESS.

1987

Precision Custom Coatings LLC (PCC) was founded with a singular purpose; Provide in Class nonwoven solution for a range of uses in a multitude of industries.

1991

Strategic move to a 210,000 sft manufacturing facility, now our current location & US headquarters.

2001

Putting its partners first, PCC upgrades its quality control standards, earning an ISO 9001 Certification.

2004

PCC establishes Precision Textiles, serving OEMs and industry-leading Automotive, Mattress / Bedding & Filtration partners. PCC earns ISO 9001:2004 Certification.

2011

OEKO-TEX Standard 100 Certification; A worldwide consistent, testing & certification system for textile products.

2015

PCC wins the Johnson Controls Excellence in Execution Award.

2018

PCC sold Apparel business and PCC Asia to concentrate in Automotive and Bedding market

A HISTORY OF SUCCESS.

TODAY

Ongoing quality improvements, certifications, awards & numerous industry accolades

30-year privately held global scale company with two divisions & a \$80,000,000+ annual revenue

Team of over 250 dedicated full time professionals & consistent management.

OUR NONWOVEN + COATING CAPABILITIES

- Composite Nonwovens
- Adhesives + Polymers
- Multiple Depths + Deniers
- Custom Solutions
- Shipping Efficiencies
- Sheeting/Slotting to Size + Slitting
(width, length, core size & custom)
- Coating + Processing Technologies
- Optimized Distribution
(folding, shrink wrap, shipping & delivery)
- Specialty Colors, Finishes + Coating
- Needlepunch
- Vinyl & Fabric Seating + Upholstery
- Engine Side Fabrics
- Acoustic & Thermal Panel Insulation
- Sunroofs
- Seat Warmers / Heaters
- Paint Shop Covers
- Console Storage Boxes
- Antimicrobial Technology
- Pro-Link Lamination

OUR NONWOVEN CAPABILITIES

- ❖ Thermally bonded (calendared)
 - a. One line white/black/char 3.5 meters wide
- ❖ Chemically bonded
 - a. One line white/char 3.5 meters wide
- ❖ Needlepunch
 - a. One line white/black 3.5 meters wide with attached padder and dryer cans
 - b. One line white only 5.0 meters wide
 - c. One line white only 3.5 meter wide
- ❖ Carded High loft
 - a. Two lines white only 3.5 meters wide
 - b. One line whites only 3.5 meters wide with two cards in tandem
- ❖ Air Laid High loft
 - a. One line white only 3.5 meters wide
